*"As District Governor, I am committed to leading with an inclusive heart and a relentless spirit. Together, we will strengthen District 3830 where every voice is heard, every talent is valued, and every member is empowered to serve our communities. With unwavering principles of Rotary at the core of all we do, we will embark on ambitious projects, forge lasting partnerships, and leave a legacy of impact that transcends generations."*

Fueled by a lifelong dedication to service, Gov. Prescy has been thriving within Rotary, driven to empower others and create lasting positive impact. Her passion extends beyond the club, actively seeking partnerships and collaborations. She championed initiatives that addressed critical community needs, fostering a spirit of collaboration and adding value to the lives of those she serves.

Gov. Prescy served as club president for three terms, as World Class Charter President (2015-2016), All Star Team President (2016-2017) and Life Changing President (2021-2022). Through her journey as a club president, she leverages on influence as the anchor to inspire and motivate others towards a common goal or vision.

She saw the bigger Rotary community in District 3830 where Gov. Prescy held various leadership positions, the highlight of which was when she became a New Club Adviser in RY 2020-2021 which led her to help charter a club, the Rotary Club of Makati Ayala Amity.

A firm believer of learning, Gov. Prescy has been a constant attendee to various Rotary International Conventions. She values the privilege of empowering oneself while establishing strong connections with like-minded individuals in an engaging learning environment.

Gov Prescy puts into practice the Rotary maxim "Service Above Self" as she dives into initiatives that have profound impact on the community, from saving lives and promoting healthy pregnancies to fostering the growth and development of children. By prioritizing these areas, she aspires in contributing to the long-term well-being and prosperity of the community, creating a brighter future for all.

A staunch proponent of bringing out one's beauty, Gov. Prescy pursued a vocation in medical aesthetics solutions and services through her company Skin Rejuve. For more than three decades, she has helped patients with skin conditions and skin traumas, in the process also helping them gain back their self-esteem in pursuing their life mission with confidence.

Mother to four children, Arlina Jasmin, 30, Registered Nurse; Christian Oliver, 26, Aeronautics; Ronald Stanley, 16., Ateneo student; Sasha Victoria, 14, Miriam College student, and wife to Ronald, Gov. Prescy exemplifies Rotary family in action as she served alongside her loved ones, fostering a spirit of service that transcends generations. Rotary has become a vibrant part of Gov Prescy's family life, a source of connection and deep meaning as she weaves the future, one thread of service at a time.
